

**Vorenkamp Well Control Training** is pleased to announce our partnership with **ALL STOP!** in expanding our footprint of services in the Houston area. We now offer IADC WellSharp approved well control training monthly at ALL STOP! Survival & Safety Training 1630 FM 1960 Road E , Houston , TX 77073

VWCT is an industry leader in the Well Control business with over 100 years combined experience providing well control training to the oil & gas industry. With regionally specific training to address the horizontal drilling and Workover industry, VWCT creates a unique relationship with you the client that no other vendor provides.

Learning requires a special blended environment and through facilitating innovative techniques and adaptive learning methods, we empower our clients with “right knowledge” and practiced confidence to conduct their duties safely, effectively and successfully! By establishing this unique relationship we’ve created the

### **“THE POWER OF II”.**

**ALL STOP!** provides an outstanding range of nationally and internationally accredited offshore survival and safety training services.

Through **THE ALL STOP! ADVANTAGE**, we deliver great value and a superior customer experience. We innovate, think differently and challenge some of the established practices of our peers, including:

- **ALL STOP!** is FULLY aligned with our clients operational **PRIORITIES** - we will not apply cancellation fees even if it's the day before
- We have no minimum class size for OPITO and most safety training courses
- We offer a complimentary lunch for all full day delegates
- Very competitive pricing, bundled offers, flexible scheduling options
- Controlled class limits, lower delegate/instructor ratios, greater classroom and training ground interaction; a focus on the individual rather than group outcomes
- Purpose built, state-of-the-art facility, the newest in the United States, with almost all training conducted indoors
- Delegate and employee safety and wellbeing is at the forefront of everything we do

Partnering with ALL STOP! allows VWCT to expand our coverage and includes: New Iberia, LA; Houston, TX; Midland, TX; Tyler, TX and Casper, WY.
